

A watercolor illustration featuring a young man in the foreground and a young woman in the background. The man, with short dark hair and glasses, is wearing a blue school uniform with a high collar and is holding an open book. The woman, with long dark hair, is also in a blue school uniform and is holding a small pink gift box. They are standing on a path next to a large green tree. The overall style is soft and artistic, with a focus on the characters and their interaction with the environment.

Kazuomi Tamaki

The most popular boy in school. He talked out his worries with the other two, and as a result... got a haircut.

Nozomi Aizawa has kept her feelings for her schoolmate Azuma-kun a secret for quite some time, but one day, she gathered her courage and confessed! However, for some reason, one after another things fell apart: her confession was called "wrong," her crush saw her underwear, her handmade presents were criticized, and so on. Undaunted, she continued to converse with Azuma-kun daily, and the two slowly became close, until Azuma-kun invited her to talk at school, as well! Now the two eat lunch together, but what will happen to them there?!

Sometimes
we just
need to
show off.

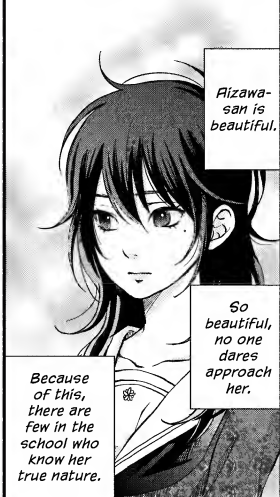

Azuma-kun...
Why is it that
boys respond
to a simple
conversation with
condescending,
unsolicited
advice?

Azuma-kun is famously stubborn.

Without exception, all of his friends call him a weirdo.

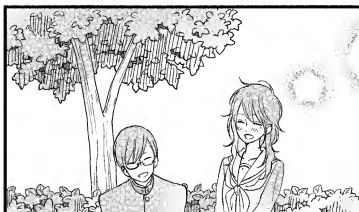

His unique perspective gets him into arguments time and again.

Aizawa-san is beautiful.

So beautiful, no one dares approach her.

Because of this, there are few in the school who know her true nature.

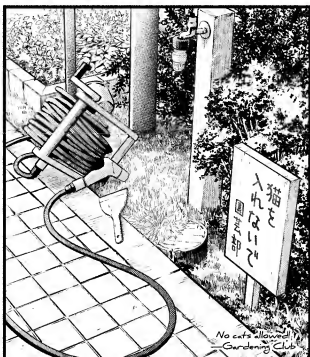

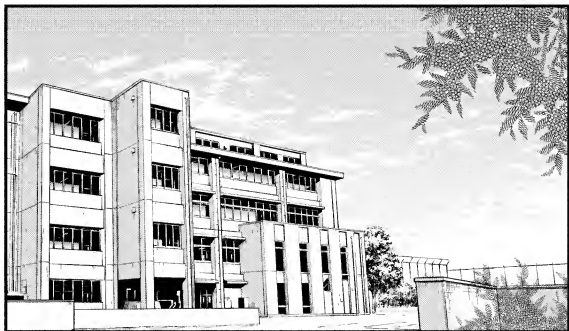

The fact that these two whiled away their lunch break in each other's company in the school courtyard is a juicy bit of gossip that has swept the school like a tempest.

What's that?

Also, you ain't her boyfriend.

...Oh.

Aizawa-san must be a very important person in your life.

Women seem to value those close to them an exceptional amount...

Her boyfriend...?!

smiled

The very audacity of the Class Four girls is mind-boggling...

... it went kinda like that.

Okay! You guys're my man-servants now!

SCREECH

Azuma-kun is trembling like a scared puppy...

They've all lost their dignity...

Since then, Keisuke and the other boys have waited on the girls hand and foot.

You do realize it's stuff like that that makes girls treat you like an enemy, right?

FOR ONE, WHY IS IT THAT WOMEN GET MAD WHEN YOU DON'T TREAT THEM LIKE WOMEN, BUT THEN THEY GET MAD WHEN YOU DO?!

W-well... if you think about it as a way to communicate with them...

No! It's not just cute!

It's a game played by wild animals with too much free time!

No.

I just...

...
So, what about you? Do you read those?

Sometimes I see the pages out of the corner of my eye.

Hm? Is that all?

THE MAGAZINES THAT KEISUKE-KUN BRINGS?

It's still so strange to me that your friends would bring a magazine like that to school, though.

ワスワス

he he he

Yeah, Keisuke likes that kind of stuff.

Especially in hard copy.

Boys are mysterious...

I can't help clean that way, can I?

...

You'd better not open this door!

CLACK

If a boy says not to open a door, it's really in your best interests not to open it.

Now that I think about it, my little brother borrowed something like that from one of his friends the other day, and he shut himself in his room for the better part of an hour after telling me not to go in...

Yeah, my grand-ma said that, too.

I wonder what that was all about?

To fluff up my image? Out of excessive self-consciousness?

I wonder if he really does look at that kind of stuff...?

What's the point of such a false conversation?!

For some reason...

...I've been lying about myself this whole time.

Eh he he... You're different from my brother, after all!

Ah ha ha... In- in which way?

Just say it!
Tell her! Tell her you really want to see up-girls'-skirts! Lay bare the stark reality that is yourself!

Aizawa-san that

If I tell her I've

bulk of Keisuke's
collection, she'll
think I'm an idiot!

It's impossible!
I can't say it!
I shouldn't say it!

This is
social
suicide,
isn't it?!

This...

Come of think of
it, there was that

didn't really seem

dating!

I could
very handily

NUMBER TWO, A
TRENDY LOCATION!
NUMBER THREE,

NOT STIFLING!

P...PRETTY
MUCH?

...is

My well-
thought-
out plan for
a perfect
date...

9:00 Meet in front of the train station.

9:01 Confirm both parties have
arrived safely, then depart.

9:10 Arrive at location #1: a trendy
knickknack shop. Make a second
round to the parts she liked.

9:30 Go to location #2: a churros
stand popular with women. My
recommendation is the very popular
strawberry flavor.

9:45 First bathroom break: Escort her
nonchalantly and address her worries
and insecurities.

9:50 Head to location #3: a nearby
park. Rent a lovers' paddleboat and

The

Also, leaving
only five minutes

Like, for example,

Meet in front of the train station.

If you're tired, head to a nice-
looking café for tea or a meal.

Finally, something the girl said

off by
a small
surprise.

Right!

Like, to be honest, anything you do with someone you love is going to be fun, right?

SAYING THAT PUTS US BACK AT SQUARE ONE!

Be considerate!

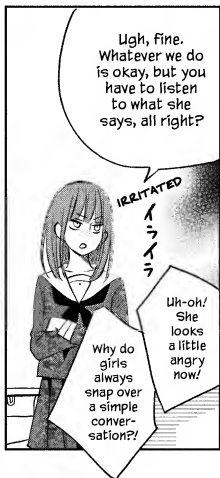

Come on, you know? Just check in with her with stuff like, "is this okay?" or "how's this sound?" or something!

*It might
really be
"anywhere's
fine."*

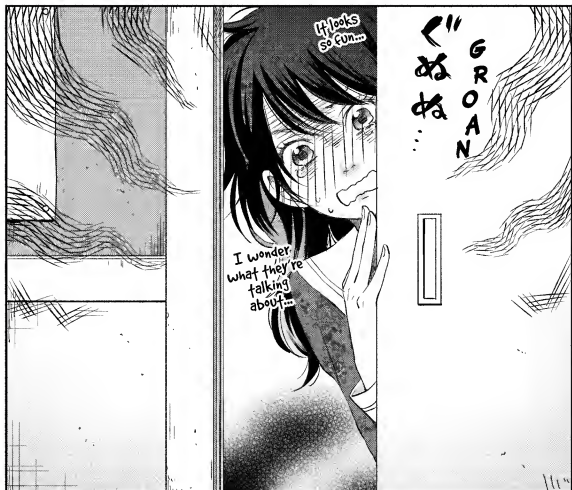

*I
wonder...*

*Where
would
Nozomin
want to go?*

*After
all, the
Nozomin
I know...*

*...the
Nozomin I
know quite
well...*

LET'S GO ON A DATE!

Hello. This is Azuma. Aizawa-san won some free movie tickets, so we're going to see a movie.

That's when I noticed it...

That's pretty harsh.

For whatever reason, Aizawa-san isn't very talkative today.

SHOCK! HE'S OFF, DAMN IT! HA HA HA

...staring directly at me the whole time.

Aizawa-san was...

on the way home

Checking in with her

Thanks for inviting me.

I never told him thanks for the drink...!

Did she notice that I found the movie boring?

I wonder if I did something wrong?

Even though he bought it for me in return for the ticket...

YOU TWO
HAVING
FUN
FLIRTING?

Your
wit's
end?

What
could a
popular
person like
you possibly
be troubled
about?

Well...
thanks
to the
advice
you both
gave me
before...

...I changed
my hairstyle
and my out-
look, removing
the first stone
from the path
leading away
from my old,
lukewarm life.

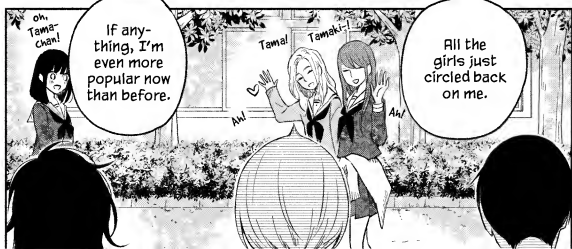

It's really
troubling.

"I GUESS
THAT'S
FINE?"
THEY
SAY.

...but
everyone
still loves
me.

oh,
Tama-
chan!

If any-
thing, I'm
even more
popular now
than before.

Tama!

Tamaki!

All the
girls just
circled back
on me.

A-
AIZAWA-
SAN?!

Something
about that
is really
irritating.

Something
about that
is really
irritating.

Is it just
because I'm
good-looking
with a little
personality
on top?

I don't
get why
they
all like
me so
much...

I just
don't
under-
stand
girls.

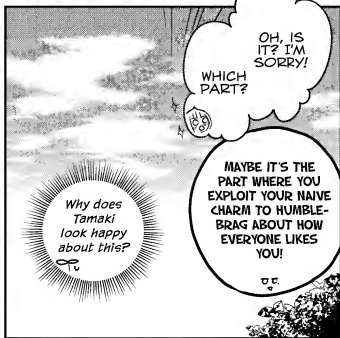

Sorry...
It's just
that
whenever
I talk to
Tamaki-kun,
I remember
my old
dog...

You know,
sometimes
you're
unusually
harsh towards
Tamaki,
Aizawa-
san...

My silly
Justine
...

I loved
that
golden
retriever.

OH, IS
IT? I'M
SORRY!
WHICH
PART?

Why does
Tamaki
look happy
about this?

MAYBE IT'S THE
PART WHERE YOU
EXPLOIT YOUR NAIVE
CHARM TO HUMBLE-
BRAG ABOUT HOW
EVERYONE LIKES
YOU!

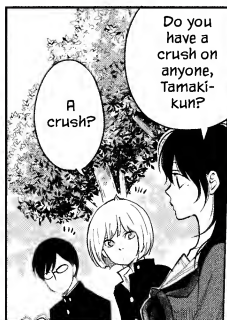

They
like me
without
me doing
anything
special.

Isn't it
strange
to fall in
love over
nothing?

I don't
mind.
In fact,
I'm
grateful.

I'd rather
have a more
normal
relationship
with all of
them...

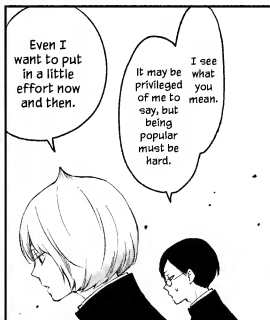

A
crush?

Do you
have a
crush on
anyone,
Tamaki-
kun?

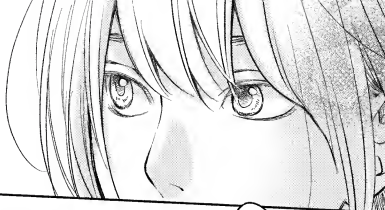

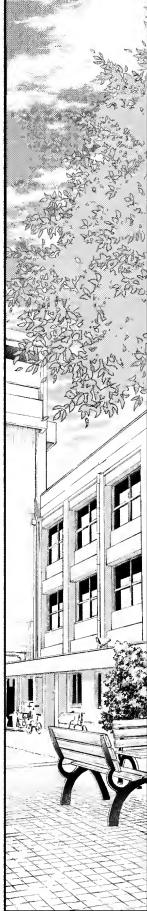

Even I
want to put
in a little
effort now
and then.

I see
what you
mean.
It may be
privileged
of me to
say, but
being
popular
must be
hard.

How bright...

...and cheerful...

I envy them...
They seem so carefree.

People like that have it easy.

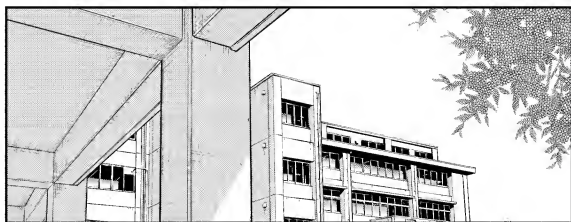

...never mind. There's nobody here.

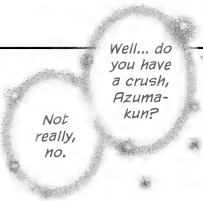

Excuse me...

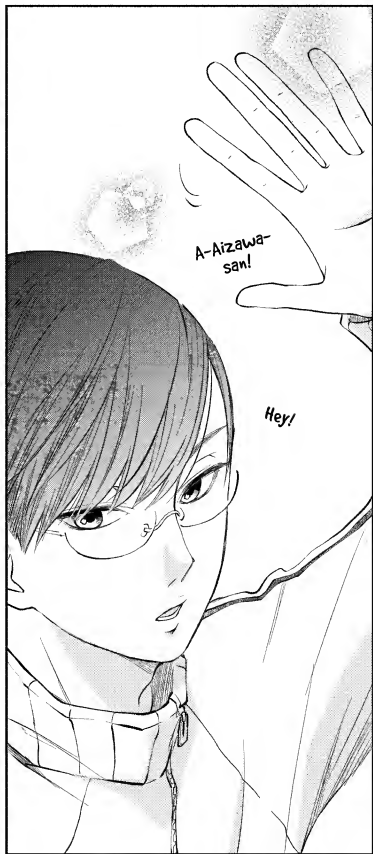

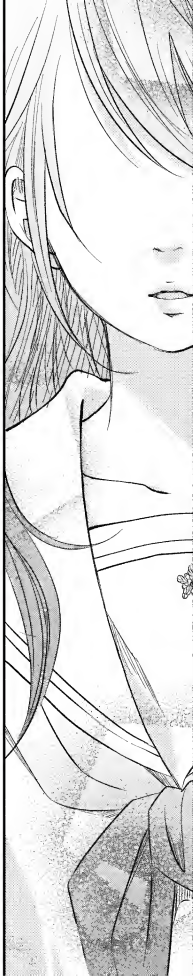

When I thought about it, I realized that...
... inexcusably...

But nobody took it that way.

I thought that that wasn't a very good way to live, so I tried to change...

...I always relied on the people around me to do everything for me.

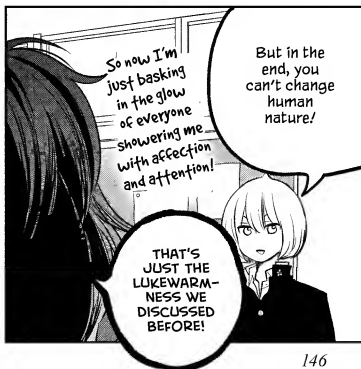

I'm drowning in it!

It is, isn't it?

That hair of yours, though...

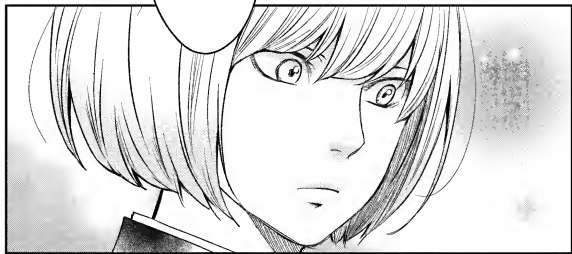

That's proof of your courage, Tamaki-kun.

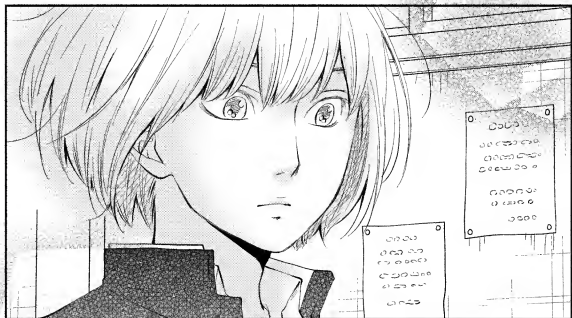

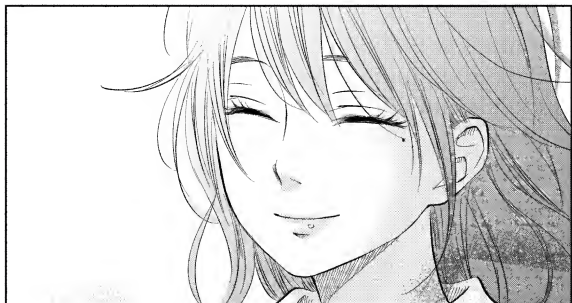

So now I'm just basking in the glow of everyone showering me with affection and attention!

But in the end, you can't change human nature!

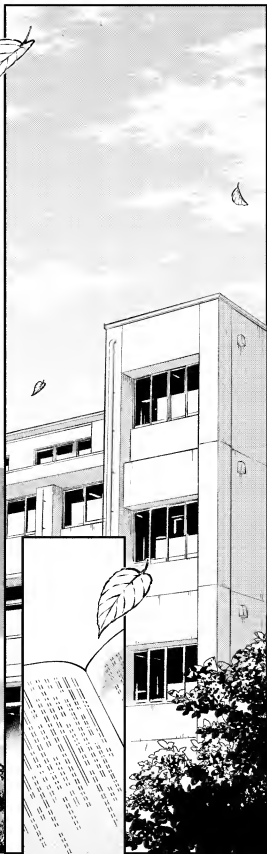

THAT'S JUST THE LUKEWARMNESS WE DISCUSSED BEFORE!

I'm sorry.
I hope
I'm not
disturbing
your
reading.

No,
don't
worry.

I was
just
about
to start
my
lunch,
anyway.

Hey,
Azuma-
kun!

Yeah
...

I got
it from
my
aunt
last
year.

It was
a little
chilly
this
mor-
ning...

That
scarf
...

It
looks
really
nice.

Aizawa-
san...

I wouldn't want you to catch cold, Azuma-kun.

...we won't really be able to use the courtyard.

...
Once it gets even colder...

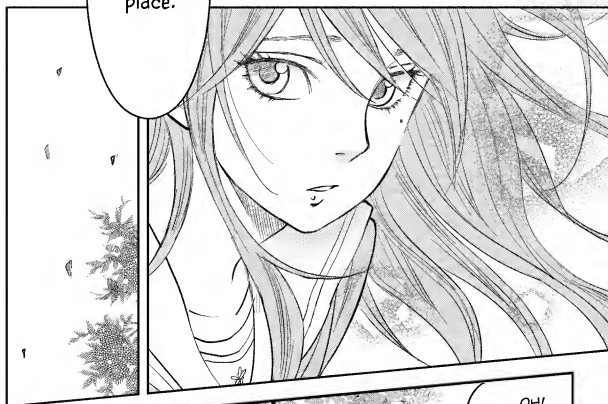

In that case...

...we'd better think about another change of venue.

...just the place.

OH!
THAT'S
RIGHT!

We just
need to
meet
somewhere
else!

THE MAN CALLED TAMAKI

AFTERWARD

Thank you very much for purchasing volume two!

I'm really relieved we were able to release it without a hitch.

I'm sure volume three will include plenty of unproductive conversations between men and women. (probably)

If we can meet again in volume three, it would make me very happy.

Someday, some month, somewhere.

Our Precious Conversations...

What will
the setting
of volume
three be?

Azuma-
kun...

The next
place is going
to be a calm
one, so by all
means, let's
continue having
conversations.

I can't
tell you
yet,
but...

**HOLD
UP!**

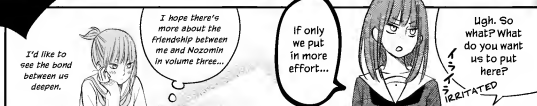

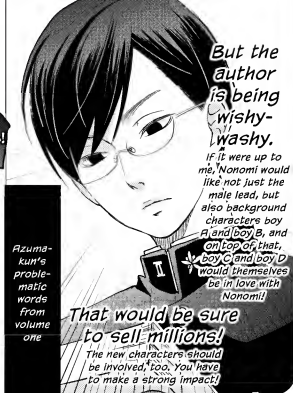

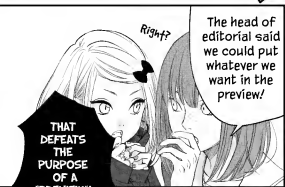

Just
the two
of us.

SLAM

There's no
way you
two'll be
left alone!

Azuma! You
yourself said
it back in
volume one...
